## 21<sup>st</sup> Round – Report No. 1

Dear **300 Club** Members,

We hope you are enjoying your summer so far. After celebrating our 10<sup>th</sup> Anniversary in May, we are now ready to get to make the next 10 years even more memorable. Our first goal is an important one as we need to get to 100% membership so we can continue to help those in need and strengthen our community.

This is our first report of the 21<sup>st</sup> Round on our guiding principles:

**Charity**-We will be donating \$3,000+ to several of our familiar charities later this month that will be disclosed in the next report.

**Community**-We currently have 12 numbers available for the 21<sup>st</sup> Round. Anyone interested in becoming a member please e-mail me for instructions on how to join.

The cost is normally \$30 per number per round however, given we have already had two raffles, the pro-rated cost is \$20 per number.

The following numbers are currently available: 31, 33, 119, 134, 194, 237, 283, 293, 302, 328, 339, 348.

**Chance**-The results of the June and July drawings are listed below.

As always feel free to contact me with any questions. We thank you for your continued support.

With appreciation,

John
