

# St. Frances' Young Vincentians

## 23rd Annual Bread and Soup Dinner!!!

The Young Vincentians have actively assisted people in the local community. They work in soup kitchens, hold food and clothing drives, assist at the Thanksgiving Dinner, sell Christmas Wreaths to help poor, local children and host parties for children with special needs. The Bread and Soup Dinner is our way of helping internationally where the need is the greatest.

The Young Vincentians is a Youth Group of the St. Vincent de Paul Society. Our 23rd Annual Bread and Soup dinner will be held on **March 26, 2023, at 6:00pm in the Auditorium.** We hold this dinner to raise the community's awareness about World Hunger and collect funds to help alleviate some of the pain and suffering that is experienced by so many.

The simplicity of the dinner is to recognize that so many of our spiritual brothers and sisters would be grateful for a meal that we might consider to be a sacrifice.

Our group is blessed to have caring local restaurants (and Young Vincentian Moms!) who donate the soup and bread. That way each dollar that we raise at the dinner goes to helping those in need.

After the dinner, Young Vincentians will give a talk about hunger from a teen's perspective. Then the Young Vincentians will present their original skit written specifically for the event.

The dinner is a free will offering; that is, you decide the "cost" of your meal. We suggest that the cost be the amount you would normally spend on Sunday Dinner.

Please join us at the dinner. Simply fill out the reservation form and drop it in the collection basket or at the Parish Center. If you can't make it, please consider making a donation (please make checks payable to St. Vincent de Paul) and send it to St. Frances Parish Center. We thank you for your support.
